Very solid. Nothing wrong dropped a remanufactured 351 in it from engine guy.com. Only 2500 on it. 205000 on body. Have paper work. Runs a drives great. Bought if about a year ago from a dealer in plaistow NH. Call or text for more details or any question you have on it. Tons of new parts. Too many to list. Would like my asking price have more than 7k into it. May except trades.
