

## **Seeking Manager for Upcoming Musician**

Location **New Jersey** https://www.genclassifieds.com/x-568384-z

Upcoming Musician based out of central New Jersey is currently seeking a manager to work alongside them on various projects such as recording/producing new music, booking shows, setting up appointments, etc. Serious inquires only as we are looking for someone to work with long-time. The musician has a tour coming up soon and we need to fill this position as soon as possible. This is not an internship, if chosen, you will be compensated. We are looking for hardworking, motivated, and organized people for this position. Please be sure to include your name, number and email. We will be interviewing for the rest of July. We look forward to hearing from.
