Looking for someone to operate blower, whacker, ZTr, mulching, planting, weeding, etc.. Knowledge of equipment maintainance and plants. Will consider a college student, and vo-tech graduate with some experience. Pay is based on experience, and can go up based on your ability.

Weekend availability required. App. hours 8 am to 5 pm. You decide the salary based on your PROVEN ABILITY and how much time you take to do the task properly. Manual dexterity required, good personal skills. Starters can expect around 8 on day 1, pros, can expect 10-12+ after week one. Attendance and punctuality required. Sloppy or careless workers please save us some time.

Your reply MUST include your experience in the field, general work history, and what are you currently doing. Let me know if you drive and how far are you from Edison. Vague replies will not receive response from me.

job is available starting this week.
