

Dear Parents,

I believe that effective tutoring is not complicated. You don't necessarily have to have long periods of lecturing or testing. Rather, the most efficient way to bring a student's grades up is to solve problems. With the recent rise of start-up tutoring centers, one can easily be led into something that is ultimately not improving on the student's skills.

I constantly see discouraged students not being able to advance given the one-way lecturing in a class, whether it be their school classrooms or commercial tutorials with more than one student per class. What I've learned is that they need to be guided through specific problems. Through one-on-one sessions with a

When you have a tutor, one great way to get things ahead is by looking at previous tests that you did poorly in. Make the tutor solve all the wrong problems. It's important to study and tutor strategically.

I can help with the following tests:

Common Core K-12, Regents, SAT, SHSAT, ACT, GED, ASVAB, Advanced Placement or AP, and more.

Subjects:

Math, Chemistry, Biology, Physics, English, Social Studies, Statistics, and more.

Here is a quick checklist for the different features of my classes:

- Meant to train your test-taking skills
- Two hours long classes, both one on one and groups
- Thousands of hours of experience
- Extremely affordable, only \$20 to \$25 per hour

Please let me know if you want to hear more from me. My number is or you can send me an email through the link above.

Sincerely,
