I need a ride to go to Minneapolis, MN on Thursday 07/16/2015. I am visiting a friend who works so it is good for me to get there after 5 pm Thursdy. I don't smoke so if you smoke in your car no-Thanks! I understand to share gas. I need to come back Saturday because I have to work in Grand Island on Sunday 07/17/15. But I am willing to make the trips with two separate people so if you take me there I can look for a ride back on my.
