We are a support group located in Kearney Nebraska. We know there is a need for a safe place for the Trans community to go to get the support and information they need. We meet every 1st and 3rd Saturday of every month. Due to our strict rule of confidentiality I do not publicly post where we meet and what times. If you are interested or know someone that is interested in our support group, feel free to email me and we can get you the support you need. You can also find information on our facebook page:
