

RC crane (30 USD)

Location **North Dakota**
<https://www.genclassifieds.com/x-568533-z>

I have a remote control crane. It does everything that the big tower cranes do. Even has a crew elevator. I have a car lift for it, a magnet that is missing the magnet part, and two dirt buckets. It Takes 4 D size batteries for the controller. It is tethered to the.
