This is a very nice clean 2000 Ebbtide Campione. These are a very good quality built boats. This 19ft boat has a Mercruiser 4.3L which gives it plenty of power. I installed a stainless steel prop, a depth guage with temp, and new Clarion stereo with Iphone and Aux port hookups. Vinyl Seats and Interior are in great condition. Always under a full canopy on lift. A few normal minor scratches on the outside of the boat but the gel coat is in very nice condition. Mechanically this boat is running great.
