If you're seeing this ad, the truck is still available.

This truck is the same as a Ford Ranger.
I bought a new car, I just want to sell this. Priced well beneath KBB, this truck does have rust, it's a used truck. The price is pretty firm.

Less than 5000 miles ago the following maintenance has been done:

- Brand new struts.
- Tune up plugs and wires.
- Rear differential flush.
- Transmission flush.
- Fresh oil and filter.
- Front brake pads.

Drive it home today!

The truck runs and shifts great. I have all receipts for the maintenance done, from the previous owner. The truck needs nothing. Before winter it may need new tires.

This truck has been very reliable, it has a body matching ARE tonneau cover that locks. Manual windows and locks, 6 cd player, has the speedometer down low, you can see it. Call or text or email me.
