375 Female NEEDS housing (case western)

Location **Ohio** https://www.genclassifieds.com/x-568611-z

I am starting the MSSA program at Case Western next month and I'm looking to move out of my parents house for the first time. Ideally, I would like a free room (wouldn't we all?), but the cheaper the better. I just need my own room, not necessarily a whole house/apartment set up. Don't mind sharing whatever. I anticipate being super busy and virtually nonexistent. I do not drink, I do not smoke, I am a good Catholic girl who's just trying to get on her feet, grow up, and be independent. Maybe an agreed upon exchange of services can be arranged in lieu of rent? Babysitting/cleaning/animal care/etc. I know its a long shot, but I'm cute and bubbly and fun...you won't regret it!!!! Serious inquiries only..
