Hello! We are a Family of 5 looking for a 3 or more bedroom house to rent/rent to own in the firelands school district. Can pay up to 1400. My husband and I both work full time. He's been at his job for 14 years and I've been at mine for 3. It's ok if the home needs work - husband has 20 years experience in construction. We have 3 boys - ages 14,12,11. Thank!
