I have accepted a job in Independence and need to move to the area by or before Aug 15.

About me:

Moving from Columbus  
in my 30s

I enjoy playing & watching sports, socializing, outdoor activities, music, volunteering.

I enjoy going to church on Sundays

I like having a beer or two on Saturdays

I will be working a lot in the upcoming months, so you might not even see me around much at first.

I am responsible with paying rent on time, and I respect my roommates' privacy, space, etc...

My ideal situation would be month to month or short-term lease with month to month option after that. This does not mean that I necessarily want to move again anytime soon...

I am hoping to find a room for under \$450 including utilities.

Email me with a reply if you have a room to rent out and want to find out more about me.

Thanks,
