We are a married couple seeking someone who is employed working 8 to 4 or 9 to 5 with years of about 30 to 45 & will watch our little puppies when we ever need to go out of town which is once in a great while on a week-end. You will have use of entire home as if you are family. You can have meals with us or buy own food, just contribute towards food cost if you join us. We ask that you have no guests come into our home at any time, do not drink or do drugs, & listen to music outside of house & not inside. Keep noise to a low level & just be personable with us as we wish to be with you. We are down to earth & up front so you be as well. You will have Wi-Fi, furnished room, join us in watching tv if you wish, use of our bathroom & shower up & bathroom in basement, as well as use of washer & dryer--just chip in for detergent. We have locked secure parking with overly large yard which is entirely fenced & several police officers living on the street, so awesome place to rent for 6 to 12 months if you.
