

Mobile car washing in Lakes Area (Detroit lakes surrounding area)

Location **North Dakota**
<https://www.genclassifieds.com/x-568648-z>

Hey, I'm looking to make a little extra cash this summer washing and doing basic detailing of your cars, trucks, motorcycles, RV's, boats or anything else! I'll come to you, and as long as you have an exterior faucet I can hook my pressure washer up to I can do it! No job is too big or too small. Prices start at \$30 for a wash, hand dry and vacuum and go up based on vehicle size and additional services. Additional services include wax; detailed vacuum; wiping down the dash, steering wheel, seats; washing windows with glass cleaner; cleaning and conditioning leather seats; carpet cleaning.

To ask any questions or schedule me please call/text Matt at or email me at . Thank!
