I cannot believe this day is here! I'm considering selling my "2003.5" m3 SMG bmw. Truly the ultimate driving machine, one of the purest M cars ever made. This M3 is stock, only has 1 inch drop from eibach springs. Clean title, low miles, I'm the 3rd owner. This car blue books/nada for 17500 but I know these cars and mine is worth the extra cost. I've owned a few and driven over 15 of these and they were all mostly tired and beaten on. Fyi I still owe on this car but I've sold before and it's not a problem we just meet at the bank and complete the transaction.

Pros:
 New Vanos system (4k in receipts)
 New water pump, tubing and belts
 New alternator
 New battery
 New valve cover gasket
 New spark plugs
 New oil change
 All options except navigation (lumbar support, heated seats, 19 inch wheels, cold weather package)
 Non smoker
 Local car from Kuni Bmw
 No subframe cracks

Cons:
 One on the only 19 inch wheels and other 18 inch wheels
 Good but not perfect "edge" on the
 19 inch wheels
