

1tb 7200rpm HDD Hard Drive Segate Memory (35 USD)

Location **Oregon**
<https://www.genclassifieds.com/x-568690-z>

This is a barely used 1tb 7200rpm Segate internal Hard Drive for a desktop pc. I recently upgraded to a bigger storage so I no longer need this. It still works perfectly. The only problem is a little piece of plastic broke off of it, but it still works!!!!
