

Childcare business assistant needed (Bethany area)

Location **Oregon**

I need a little assistance tomorrow morning (Tuesday morning) with some filing for my business. If I could have a little help that would be great. I can pay \$50 for 3 hours of help or \$100 for six hours of help.

You will not be working directly with children, but will be doing some admin stuff and possible errands that I have not had a chance to do. (It's helpful if you have a car for errands).

please email if interested.
