Oregon Timber Industry faces largest Fine for Environmental Crimes in US History Portland Alternative Newspaper Oregon 2015 What is ENVIRONMENTAL Degradation (Logging-Clearcutting Forests) ? Why do you choose to be a mindless slave (battery) of the Dark Regime? Deforestation by Modern Industrial Forest Logging is an Act of Societal Suicide committed in name of profits for Timber Barons (Logging Company CEOs) who pay little or no tax via the psychotic Corporate-State destruction of Climate regulating Forests Systems causing Civilization Ending Droughts, Wildlife Species Suffering - Extinction and Pollution of the Environment. "The Great Oregon Land Fraud" The Political Corruption of the Dark Regime transferring state Forests to Billionaire Land Owners to Clearcut to death. Logging Corporations and Oregon Timber Industry Ceos pay little tax on Timber Company revenue as they violently decimate our Land while Evil Dark Regime says the state has no money to fund programs such as Education. Due to such great destruction by clearcuts are Forest Ecosystems are collapsing due to the effects of Logging. We are on the edge of cliff of allowing Logging Companies to kill off everyone of Northwest Species that we take for granted.
