Oregon Timber Industry faces largest Fine for Environmental Crimes in US History Portland Alternative Newspaper Oregon 2015 What is ENVIRONMENTAL Degradation (Logging-Clearcutting Forests) ? Why do you choose to be a mindless slave (battery) of the Dark Regime? Deforestation by Modern Industrial Forest Logging is an Act of Societal Suicide committed in name of profits for Timber Barons (Logging Company CEOs) who pay little or no tax via the psychotic Corporate-State destruction of Climate regulating Forests Systems causing Civilization Ending Droughts, Wildlife Species Suffering - Extinction and Pollution of the Environment. "The Great Oregon Land Fraud" The Political Corruption of the Dark Regime transferring state Forests to Billionaire Land Owners to Clearcut to death. Logging Corporations and Oregon Timber Industry Ceos pay little tax on Timber Company revenue as they violently decimate our Land while Evil Dark Regime says the state has no money to fund programs such as Education. Due to such great destruction by clearcuts are Forest Ecosystems are collapsing due to the effects of Logging. We are on the edge of cliff of allowing Logging Companies to kill off everyone of Northwest Species that we take for granted. International Economic Sanctions Against the (Oregon) Dark Regime Boycott Made in Oregon Wood and Paper Products (social media) today 2015 trends #BoycottOregon boycott oregon wood, timber, lumber, plywood, paper, pulp, packaging forestry products Oregon Lumber and Timber products are not harvested in a sustainable manner instead they are creating Apocalyptic 'Ecocide' (Ecological-Genocide) of the Pacific Northwest Web of Life. Oregon Timber Industry in Violation of the Clean Water Act (notified 15 years ago but has ignored complaint) http://en.wikipedia.org/wiki/Clean_Water_Act ...Americans Divest stock in all Oregon Companies which exploit the Old Growth Rainforests and Majestic Woods (Wilderness) of the Pacific Northwest. <http://en.wikipedia.org/wiki/recycle> Recycle all paper products, buy renewable bamboo floors covering instead of tree wood. Use hemp paper, hemp plywood and hemp building materials. Salem News 2015 What is a Tree? <http://en.wikipedia.org/wiki/Tree> Oregon Business News 2015 Old Growth Forest Deforestation in the Pacific Northwest : Wild Bee , Bumble Bee Mass Die-offs Deaths Extinction (Sign of Ecological-Collapse) Entire Pacific Northwest Ecosystem http://en.wikipedia.org/wiki/Ecological_Collapse Old Growth Forests Deforestation : Very little of the Pacific Northwests once vast Old Growth Ancient Primeval Forests remains after a 150 Years of Clearcutting Deforestation now resulting in the 'final state of mass extinction, death and drought' Societal - Ecological Collapse : a Mass Extinction Level Event (ELE) 2011 - 2015 Boycott Oregon Lumber, Old Growth Timber, Rainforest Wood and Forest Paper Products" If clearcutting and toxic chemical dumping continues then I can assure you that you will face complete societal destruction. <http://the11thhourfilm.com> http://Envirowiki.org/Old_growth_deforestation_in_the_pacific_northwest/ Pacific Northwest Paper Industry (pulp) #Hemp USA Grow Hemp and Save America's Last Native Forests <http://Hemphesis.net/Paper/paper.htm> <http://en.wikipedia.org/wiki/hemp> <http://hemp.com> the true story of how wealthy land barons and industrials began hemp prohibition in America <http://jackherer.com/> <http://Biomimicry.org> List of Trees http://en.wikipedia.org/wiki/List_of_trees Portland Oregon News TV stations 2015 Business Clearcutting Companies (Logging) the Old-Growth Rain Forests Wilderness of the Pacific
