

Looking for a new puppy (Saginaw)

Location **Texas**
<https://www.genclassifieds.com/x-568931-z>

my family is searching for a new puppy!! We can't really afford an adoption fee but can assure you that it will have an amazing home!! We will also have it into the vet within 3 weeks of adopting it to have it spayed or neutered and utd on shots if it is not already. We would prefer a small breed. of you have one or know someone that does please let me know!! Thanks in!!
