Introducing True Story Graphic Design:

We are based out of Chandler, Arizona. True Story Graphic Design has the ability to craft you original designs with a vintage flair for your modern business! We love to design work for businesses who believe that branding and marketing is not only crucial to their success, but also a ton of fun. We create one of a kind design pieces that can cater to your specific needs; whether it be a new logo, website or print media.

With an extensive background in graphic design, Daniel, the owner and founder, is True Story Graphic Designs' rampant creative brain trust. He is fluent in multiple design disciplines and strives to create your brands' perfect image. As an architect of brand identities & logos, he introduces concepts to visuals and brings more than 10 years of experience to the table.

Please feel free to check out True Story's website at www.truestorydesigns.com and review our portfolio. You can also check out our Facebook at www.facebook.com/truestorydesigns to view more artwork. We look forward to hearing from you about your next!
