Choose the advertising method with a proven track record of success and get noticed for your creative approach to advertising your valuable product, service or event. More effective and cost effective than sign waivers, bus stop/shelters, and even static billboards. \$400 per day for a static customized billboard truck.

My Mobile Billboard recently begin operations in Utah. We specialize in messaging and mobile advertising solutions that help organizations increase sales, brand awareness, promote special events, and stay top of mind. We aim to be as environmentally friendly as possible by operating our advertising vehicles primarily on Bio-Diesel fuel and we challenge our team members to offer the highest level of customer service every day as we count it as a blessing and honor to serve the clients we have the opportunity to serve.
