

GrindermanBad SeedsBirthday Party (Burlington)

Location **Vermont**
<https://www.genclassifieds.com/x-568970-z>

Guitarist/Vocalist in his early 30's looking to rock out with others. I've been really into Nick Cave lately. Would love to do some originals that slide from mellow sleaze to all out fuzz tornado. I've got solid gear, decent band experience and ideally would like weekly practice and monthly shows. If this is interesting to anyone let me.
