Meet Henry:

Henry was born on Whigby Island off the coast of Seattle and adopted 5 years ago. Since then, he has successfully relocated to Vermont and established residence as an indoor cat in Colchester. He's between 6 and 9 years old, weighs 14 lbs, and is fond of neck snuggles and head rubs. He's looking for a new home because we got a puppy and he's not happy anymore. He does best with adults, and would love to be the only pet in your life. He comes when he's called, and will happily bring his own carrier and bed to his next home.

We will miss Henry, but ultimately want what's best for him.

Let me know if you're interested in getting to know this little fluffy.
