Hi there. I'm looking to find a twenty-something male who would be interested in taking part in a gay-themed music video. There is no nudity in this music video, but there will be some light physical interaction with another male of the same age. Acting experience is always a plus, but not required. Filming will take place this Saturday (July 18th) in the afternoon. The shoot shouldn't last more than four hours. The pay is \$80 in cash. The video will be uploaded sometime in early August on YouTube. If you are an actor who is trying to get your name out there, your name and a link to your social media account(s) can be added in the credits of the video. If interested, please reply by e-mail and include a recent picture of you (doesn't have to be professional--selfie is totally fine) and your e-mail address. Thank!
