So the thing I am looking for is completely out of the ordinary but I decided to take a chance anyway. I am really hoping to find a girl willing to kick me in the balls. Yes I know, who would ever want to be kicked in the balls lol. I have wanted a girl to kick me for sometime but it really isn't the easiest thing to bring up to your girl friends so I was hoping someone here can help me and I can comp you for your time :) please reply with any questions!! Thanks for:)
