Simple black solid wood dining, kitchen, craft table. Used it in my in-law suite with the two dining chairs I have posted in a separate ad for \$50. Buy all 3 pieces for \$75. Legs detach for moving. Good condition...that means not excellent condition as it has small nicks on legs, slight wear off of paint on on some edges, and some smudges on top. No cracks or broken parts. Very sturdy. Could look like new again with a quick spray of black paint. The price reflects the fact that this is not solid oak or another hard wood. I believe it was originally purchased from Pier One. Dimensions: 32" wide x 48" long x 30 high. Cash only. See many other items for sale on.
