

Boiler or Hot Water Heater (rhode island)

Location **Rhode Island**
<https://www.genclassifieds.com/x-569088-z>

If your boiler is not running efficient or is over 20 years old, then it's time to replace it with a energy efficient boiler. It will pay for it's self in 5 years.

If your hot water is over 6 years old, chances are your washing up with rusty water, and you are in danger of flooding your basement and losing your valuables.

So, please feel free to give us a call at and ask for.
