My name is Kevin and I'm originally from Louisiana, but I moved back to Seattle 2 months ago and I'm looking to stay in the state of Washington for a long time. I don't smoke and I rarely drink as well I'm mostly looking for a place that's nice and maybe makes some friends as well. I don't go to school, but I study Web Development on my free time and I hope to get a job in that fields within five months. Finally, I'm huge on sports and I love to write poetry as well which in one of the reasons I decided to move to Washington State.
