33 ft 5th wheel - you transport to MT (Apache Junction)

compensation: Budget must be @ \$2,000

I need someone to haul a 5th wheel from storage in AJ to Plains, Montana (59859) 33 ft 2 axle with 3 slides. You need a solid 3/4 ton rig with insurance and valid DL. You need experience pulling trailers on rural road ( 75 miles) - MT 200/ North of Missoula

Budget/ We pay fuel - that will be no more than \$500 - We pay \$150 x 2 nights for your hotel (one night each way) and we pay you \$1,000 for 4 days of your time. A nice drive for this time of year and you could bring the family and make Glacier NP a nice detour. We need this soon as possible

Budget must be @ \$2,000
