I have two toilet bowls that are stained pretty bad with hardwater in a rental property. They have been disinfected, I just need them cleaned with either lime away or a pumice bar tonight after 6PM.

I need someone to haul a 5th wheel from storage in AJ to Plains, Montana (59859) 33 ft 2 axle with 3 slides. You need a solid 3/4 ton rig with insurance and valid DL. You need experience pulling trailers on rural road (75 miles) - MT 200/ North of Missoula

Budget/ We pay fuel - that will be no more than \$500 - We pay \$150 x 2 nights for your hotel (one night each way) and we pay you \$1,000 for 4 days of your time. A nice drive for this time of year and you could bring the family and make Glacier NP a nice detour. We need this soon as possible
