Hello, we're a crew comprised of UCLA graduate students working on a thesis film September 9th-14th in Westport, MA. The short is a character-driven sci-fi thriller that takes place in an environmentally corrupted world. The director is the winner of the 2014 Sprite Films Contest (<https://vimeo.com/107320498>) and one of Variety's Students to Watch of 2015. This would be an excellent opportunity to work with a crew of focused and driven individuals and to network with Los Angeles filmmakers.

We are in need of:

- Behind-the-scenes Photographer / Videographer
- Costume Designer / On-Set Supervisor
- Set Dresser
- Art Production Assistant
- Production Assistant

This is an unpaid opportunity, but copy / credit / meals will be provided.
