

150000 2br (11182 USD)

Location **Vermont**
<https://www.genclassifieds.com/x-569209-z>

A good starter home or retirement home, back away from the already quiet street. Very nice condition with views of Lake Champlain and access for getting your feet wet or launching a boat. Deck with pull down awning and handicap ramp as well as stairs. Sheds on the property stay for extra storage outside. Great street to walk or bike and watch the activity on the water year round.
 Listing Courtesy of William Magnus, KW Vermont/St.
