

Trusses 40ft wide (2200 USD)

Location **Vermont**
<https://www.genclassifieds.com/x-569296-z>

I have 40 ft wide trusses with 6/12 pitch in very good condition. I have enough to do a 30ft building. You need to have your own way to load them and transport them, please don't contact me unless you have the capability to remove them.
Please call the phone number, will not respond to!!
