Greetings!

I am a stay at home mom.I have an early childhood educational background, years and years of experience and references upon request.

I live in a nice home ,fully fenced large yard,surrounded by trees and near several parks. I am caring for one adorable 2year old girl & 4 year old boy.

Feel free to send questions or come by and meet us!

I'm pretty flexible with hours as long as we don't exceed 40.

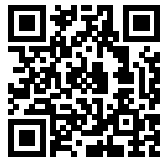

I am home all day Monday-Friday so early morning or late evening is fine.

Look forward to hearing from you.I was once a single mother struggling with child care so I am very sympathetic to single mothers.
