Hi, Jesse Nordmann here from PleasureLand RV in St Cloud. Please call to make an appointment before you show up to see this trailer. We have 6 locations and I can get it here for you to see.

2014 278BHS Features and Options

Keystone Sprinter travel trailer model 278BHS features a wider body design at 100", queen bed bunks, double slide-outs, two entry doors, plus a king bed!

As you step inside you are greeted by a wide open concept living space with a front bedroom featuring a king size bed. There are also closets on both sides of the bed along with an overhead cabinet for more storage above.

The combined living and kitchen areas have dual slides opposite one another with the slide closest to the door featuring a three burner range and refrigerator. There is a closet with shelves nearby. The kitchen island provides additional counter space and also holds the kitchen sink.

On the opposite side of the room there is a sofa sleeper and booth dinette slide. The sofa has overhead cabinets above and is perfect for additional sleeping space if needed. There is also an LED HDTV off to
