I have a 5 bedroom home in Cottonwoodand would like to rent a room to someone to take care of the cooking cleaning and laundry. I am the only one here and travel a lot and would like to find someone to take care of things. I prefer a female under 35 and am willing to trade free rent if you are willing to take care of the daily tasks of keeping the house clean and nice. Must be fun, cute and open minded to having fun if we click. I am 35 year old single white male. Tell me a bit about yourself i.e. any previous experience and please include a photo or.
