Beautiful 9 piece bedroom set. I am not 100% sure of the manufacturer, but believe they are by Georgia Pacific. Would make a great set for a young kid. Believe it or not, these pieces are 34 years old. These have been well cared for. One of the nightstands is missing an "ear", but otherwise these are in very good condition, especially given the age. All drawers are functional. We are moving soon, and do not have any room for these.

Here are the dimensions to all of the pieces.

Headboard - 63W x 42H
 Chest - 34W x 43.5H x 18D
 Nightstand (2) - 23.5W x 26H x 15D

Bookcase (2) - 44W x 43H x 9D. These stack on both the dresser and the desk.
 Dresser - 44W x 30H x 18D
 Desk - 44W x 30H x 18D, includes undermount light and matching chair

Please let me know if you have any additional questions, thanks!
