We need four very reliable people to each install 25 posters in stores and cafes for local recording artist. These posters need to be installed between July 17th and July 23rd in the Nashville area. (Should lead to more work later in the month and early August.)

Should be: personable, communicative and outgoing with the ability to follow simple guidelines.

Responsibilities: put up the posters and take photos of them once they are installed and then submit details to New York office via drop box.

Requirements: a working cell phone, email address, digital camera and computer with internet access. Ideal if you live close to the downtown area.

Must be able to maintain timely communication with the local manager and head office (NYC.)
