

REWARD for leads on whos dumping on my land (Columbia)

Location **Tennessee** https://www.genclassifieds.com/x-569657-z

I have a piece of land on the corner or FRED WHITE ROAD AND NEW CUT ROAD. People are dumping tires, tvs and trash with mail in the bags. I have found some people mail an have taken their trash back to their homes and dumped it in their yards!!! But there is tons of tvs with numbers written on them so I'm thinking the tv repair places around here dumped them. There is tons of tires down there looks like maybe a small tire shop is dumping them. If anyone knows someone dumping out there please email me. If you are one of the people dumping trash expect to see your trash in your yard today or in the morning because I'm going through it all now and making deliveries! I am sick of lazy people doing this stuff and the police are there now taking the names and addresses of these people so we can fine them 500.00.
