I am looking for Female Models With or Without Experience or Females that would just like some nice images of themselves. To model and create nice and sexy images. We would be creating images outdoors and sometimes on and around Bikes and nice Cars. You would be modeling in shorts with corp or bikini tops, and bikinis. I will be wanting to create some implied and maybe some artistic nude images. Sports Illustrated style of images mostly. Models must me at least 18 years old. I am looking for young models in good shape within 18-30 years old, photogenic, fit/good shape...if your 30+ and have a great look send some images and your info. This is mostly tfcd & pay around \$15-25 an hour plus a cd of images. After our first session, I have some jobs will pay more...depending on exp and models look...\$100 or so.

If you are interested and ready to be considered please send, a couple of images (you can take them yourself) one head shot and a 2-3 full length that "shows" your figure "like a bikini shot" front, back, side.
