Yes, Dept. of Homeland Security has released 3,700 illegal immigrants into the United States. They are the "worst of the worst" . The illegal was deported four or five times and now has murdered a lovely young American woman. Yes, the Democrats want their votes! Even though, only US citizens can vote, the illegals find a way around it. Hope these criminals are not in your town! See it on Drudge report. Look it up on Google. Illegals are bringing tons of drugs over the border. Especially the heroin that is killing the young men! And murdering innocent American women. (She was out walking with her).
