Hello everyone!

My doors are now OPEN for YOU! I recently made a HUGE career change and decided it was time to do what I am passionate about- take care of kids for working parents (and of course be home with my children while they are little)

I provide everything your child will need while in my care (Swing, Pack N Play, High Chair and so on) along with a beautiful fenced in yard with plenty of toys. I also provide a very clean, pet and smoke free home. Your children will be treated like family, not a paycheck!

All meals & snacks are included along with beverages

I have extremely affordable, realistic childcare rates for working families, and I even give families with more than one child a discount. Contact me today for more details & to discuss rates and a time for you to come tour my daycare!
