Hi there folks,

So I build, play and create with all instruments.

I think it would be fun to create with a group of artists who are.....

Able to play, play well and play with many different genres & ideas.

I have been a session musician for 25 years,I made albums, toured ,I did it.

Do I want to do it again....perhaps,but I have a family and a life.

So what do we do here? I play all instruments period.

I love old acoustic instruments and electric stuff too.

I love alty country,blind Willie mc tell type blues -jazz ,old reggae voodoo type music.anthem of the sun type dead.the band - t bone Burnett ryan adams pokey lafarge I have played on many

Americana albums and really dig it but with a twist, i like to also play other styles too.

Original music

PinkfloydFELAneilyoungHeadhuntersBeckmahavishnuOrchestraryanadamsJoewalshGratefulDEad-joebyrdhieroSpeksLots of african artists kronusquartettraviAlexdegrassiNickdrakemiles.Django,....

I'm thinking Americana with some old rootsy reggae dub ish stuff with some blues gospel and jazz voodoo.

I'm 40 with a life so lets be realistic.

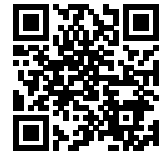

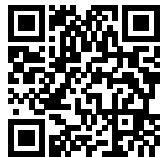

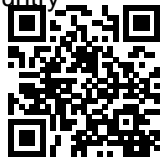

Lets listen!

Unless you are good and I mean really good! NO! GREAT!!!!

do not bother!

Thanks
