like the posting title says, a used, O.E.M., Honda Pilot, Silver Plastic Grille frame (Honda Part # 75120-S9V-A022), w/o the "H" emblem, will fit a Honda Pilot Years: 06-08, the Pilot grille frame itself is in good condition and ready to install provided you have the factory "H" emblem for it, it has one little mounting tab broken out of the 4 that holds the "H" emblem in it, you can still get the "H" emblem to mount in there, it also has one light surface scratch on it, it real hard to see, hence the price, if interested respond to ad or call

ask for Travis,
