Hi my name is Matt with Book Driver. We help make book donations easier. We have a donation of 400 textbooks that need to be sorted and listed on our Amazon store. Most of the books will be donated to a charity/thrift store but we also sell books to support our network. Anyways, I have someone to pick the textbooks up, but I need a store or someone interested in learning about online selling to receive the books and sort and list them. It's likely a or time thing since we don't get many requests in Western Vt., but it's a fun way to learn about bookselling and help grow our network. We are based in Colorado. Thanks and look forward to.
