I'm looking to start a band up for fun, gigs and possible recording. I've been in Gillette for a bit now and have been finding it tough to meet people with similar musical interests.

I have my own equipment that has been proven in live gigs quite a bit. I also have a possible practice space, unless a better one shows up.

My biggest influences are bands like Husker Du, Social Distortion, Jawbreaker, Gorilla Biscuits, Misfits, Pixies, Strung Out, etc... but I'm not limited. I've played in all kinds of bands in the past. I just wanna play some fun, fast rock n' roll.

Hit me up if your interested. Maybe we could actually have some fun in this town!

Oh, and I'd prefer it if you were over.
