Hello!

I am a photographer who moved to Jackson Hole about 2 years ago. I am looking for families, couples, pets, babies, professionals etc that are looking to have their picture taken. Package will include the shoot, editing time and a the high resolution files. I specialize in landscapes but have been branching out into other aspects of photography. I would love to work with you in your home or your favorite place outdoors for whatever you would like done. Check out my website!
