NO HARM DONE is a music based non-profit project that addresses, and opens the conversation about, domestic abuse. The 2015 project will take a compilation of original artists from various genres to thousands of high school students in the fall of 2015. This will be the 3rd compilation created.

NO HARM DONE artists donate their music and time to bring awareness to the problem of domestic abuse. In return, their original music is put in the hands of thousands of potential new fans in Utah and Nevada.

If you would like to be come a NO HARM DONE artist you'll have to fill out the audition at <http://nhd2015.org/NHD2015/Music.html>. Auditioning bands are requested to make a \$10 donation to the project. Why? Because it takes time and resources to wade through all of the songs and, as a new non-profit project, we can really use your help.
