DESCRIPTION Welcome to this Beautiful Cottage style home that's priced 64K below market value. It is conveniently located in the heart of town for easy access to the fun activities Lovell offers all year long. This is a rare find with nature all around and an unbelievable amount of instant equity in a home. This is a gorgeous 3 bed 2 baths with gorgeous original hardwood doors, windows and floors for that absolute comfort feel in the home. One of my favorite things about the home is the secluded Florida Room/Sun Porch area. It is ideal for relaxing on a hot summers day or visiting with friends for an evening get together. I love the huge living room area for perfect for entertaining or just relaxing after a long day. All

The rooms are oversized with plenty of room for storage above and below the house. The master suite has a walk-in bathroom with an adjoining linen closet room for towels and extra clothes. There is a detached garage with a walk-in shop and a patio area with additional outside storage. The backyard has a large stone lot with a traditional arched pergola for backyard BBQs and summer cookouts. The entire front yard is full of beautiful trees and a whole lot full of landscaping and is also growing a lot of fruit. This is a cute family home at a steal or a price!
